The GREAT RED EMPEROR

The Finest of All Tulips to Bloom In the Spring—A Dazzling, Dominating Red That Flashes With Fire

A glorious scarlet-red Tulip of remarkable size and substance. The petals are 6 inches long and the flower opens in the sun like a tremendous Oriental Poppy disclosing a brilliant black center, bordered with yellow. It blooms about a week or ten days before the May-flowering Tulips and is not too tall. A bed of these would be absolutely startling. Certainly the largest and brightest red Tulip in existence. Height 18 inches.

Philadelphia, Penna.

Gentlemen: December 6, 1947

May I thank you for your prompt replacement of the Hyacinths omitted from my original order. They arrived today and I am already dreaming of the lovely spring blooms that will bloom early in the spring. Today the friend, to whom I had given bulbs, as a birthday gift, remarked how lovely and solid your bulbs are. No doubt if hers bloom as nicely as mine did last year, she will become a customer.

Again may I thank you for your courteous service. Very truly yours,

ELISABETH C. TRITSCHLER

Moline, Ill.

Dear Sirs: September 14, 1947

The one Red Emperor Tulip that I had last year, created a sensation indeed.

My garden is quite open to the public. Cars stopped and people came in the yard and asked what the flower was and where it came from. The Tulip flowered about two weeks earlier than my other Tulips. I am ordering five bulbs which will fill all the space I have for the Emperor. Truly yours,

MRS. E. J. GODBOLD

White Plains, N. Y.

Gentlemen: January 20, 1948

Enclosed is a check for \$3.75 for which will you please send me your 24 tuberous-rooted Begonias as advertised in the January "Home Garden."

We would also like to take this opportunity to let you know how much we, and our neighbors, enjoyed our Dutch Hyacinths last spring. They were truly beautiful and some of the bulbs bore two giant flower spikes. We are now looking forward to the Tulips and Daffodils we put in this fall, trusting that in their own way they will be as lovely as the Hyacinths were. The bulbs we received were certainly of grand size. With many thanks to you for the privilege of having such lovely flowers.

Sincerely yours,

MRS. H. L. LANGHAM

Dear Sirs: East Orange, N. J.

Having purchased your fine Tulip bulbs over a period of years I think it fitting that you should know how much we have appreciated them, as well as our neighbors.

The Red Emperor Tulip was a sensation.

In your catalog, at least a couple of years ago, you had a collection of exhibition size Tulips that I think were the most outstanding collection I had ever had so was sorry not to find them continued in a collection.

Very sincerely

MRS. J. B. CARES

Baltimore, Md.

Gentlemen:

I want to say at this time how very delighted I was with bulbs purchased from you last year. The Tulips and Hyacinths were magnificent and I received many queries and compliments. The Red Emperors were quite a surprise and attracted much attention as also did the Double Darwins.

It has been a pleasure to deal with you and I feel it only fair to tell you that yours were the finest bulbs received from any nursery and I had divided my needs among five.

Very truly yours,

D. H. PORTER

Denver, Colorado

Gentlemen: June 28, 1947

This is just an added line to tell you how beautiful my spring flowers were this year. They were exquisite!

Yours truly,

MISS LILLIE M. OELLENZ

Detroit, Michigan

Gentlemen: June 27, 1947

Enclosed find check for the sum of eleven dollars and seventy nine cents (\$11.79) as payment on enclosed order.

Have been well pleased with the results of the last order especially the Parrot Tulips. They were wonderful.

Thanking you in advance for all considerations shown, I remain, Truly,

J. ROBT. ADAMS

Dear Sirs:

Your bulbs are very satisfactory. One does not mind paying for such excellence. Thank you.

MRS. SILLIN

Minden, Nev.

Dear Sirs: June 26, 1947

Last year I ordered some of your double Darwin Tulips. They are the very special Tulips in my garden and greatly admired by all my friends. The size and beauty of these lovely flowers is unsurpassed.

MRS. H. H. GODECKE

Albany, N. Y.,

Dear Sirs: June, 1947

It might interest you to know that over a period of 5 years not one of your bulbs has disappointed me.

J. W. HOLLER

Van Bourgondien Bros.

Babylon, L. I., New York.

Dear Sirs:

I wish to state that these same collections of Hyacinths ordered last year and potted up for a small cool greenhouse, bloomed beautifully in the earliest spring, without one failure.

Thank you

FLORENCE M. COMBS

Dear Sirs: June 26, 1947

I want to take this opportunity to thank you for letter of May 12 in entering a replacement order for me, due to a packing error. It is things like this that make a customer glad he is dealing with just such a concern. Although I am ordering only a small lot this year, due to the shortage of space, I nevertheless will bear this kindness in mind and when we do get our new house and grounds, I will remember this with a nice order, as Tulips are getting to be quite a flower hobby with me. Thanking you again, I am,

Yours truly,

E. F. DEMAREST

Gentlemen:

It gave me a real thrill to see once again a catalog of yours. Almost 30 years ago I bought in quantity from you and have had the bloom up to a year ago. Then they began to run out. I bought from one of the supposedly best firms, and this the second year from planting, they came pried.

I am ordering the old favorites with a couple of exceptions. It gives me pleasure to send in this small order the day your list came to me.

Cordially yours,

EDNA G. McGRANE

Port Huron, Michigan

Dear Sirs: February 28, 1948

This is just to say that I am so very well pleased with the flowers produced from your Hyacinth and Daffodil bulbs I purchased last October. I grew them inside but in spite of being forced they are beautiful. The Daffodils are lovely but the Hyacinths are really "super." Thanks again.

Yours sincerely

MRS. ALBERT CALGAN

Milwaukee, Wisconsin,

Dear Sirs: June 29, 1947

All of the nursery stock I have received from you has been excellent. I also enjoyed the added accommodation of the enclosed money order blank. It simplifies the ordering very much.

Thank you for past favors and prompt attention.

Sincerely

MRS E. H. MATHES

Tipp City, Ohio

Dear Sirs: June 30, 1947

This is my third order to you for bulbs. Each order has been satisfactory and my Narcissus and Daffodils were beautiful. And my Parrot Tulips were the talk of the neighborhood so I am thanking you for your consideration you give to orders as small as mine.

I remain sincerely

MRS. ROLAND SENSEMAN

Hampton, Va.,

June 30, 1947.

Last fall I ordered over \$30.00 in bulbs from you. They proved to be the most beautiful Tulips and Hyacinths I have ever seen. I could go out into the garden and admire each one individually. Our friends and neighbors enjoyed them just as much as we did.

Enclosed find my order and check for some of your bulbs. Yours truly,

MRS. KIEVE SEAR

"Nodding Beauties" That Grace Every Garden

YELLOW TRUMPET varieties have trumpets which, as a rule, are longer or as long as the perianth segments (petals). They usually have a light or deep yellow perianth with a trumpet of deeper yellow.

BARRI varieties have light or deep yellow perianth segments and an expanded crown instead of a trumpet, which is light or deep with red or orange edge.

INCOMPARABILIS varieties have light or deep yellow segments, a crown of light or deep yellow very similar to a short trumpet.

LEEDSI varieties always have white segments, while the crowns are white or light yellow. They are very dainty.

POETICUS. Snow-white segments, crowns usually heavily rimmed orange or scarlet with a green eye in the center of crown.

POETAZ. Cluster-flowered in white, light or deep yellow. Some varieties have orange or red-rimmed small crowns.

JONQUILS. Usually bear small flowers in small or large clusters on one stem, and usually are sweet scented.

Fritillaria Imperialis

(Crown Imperial)

RED. 75c each; \$8.00 per doz.

LILIUM CANDIDUM

Bulbs for Indoor or Pot Culture

Soleil d'Or Narcissus

Soleil d'Or resembles the Paper-White Narcissus very much in habit, but is of an exquisite deep yellow color, with an orange-yellow cup. The culture is the same as for the Paper-White Narcissus. We expect to have some very fine stock of this variety to meet the steadily increased demand of the past few seasons.

We offer only the Exhibition Size: 3 for 45c; \$1.60 per doz.; \$12.00 per 100.

Paper-White Narcissus

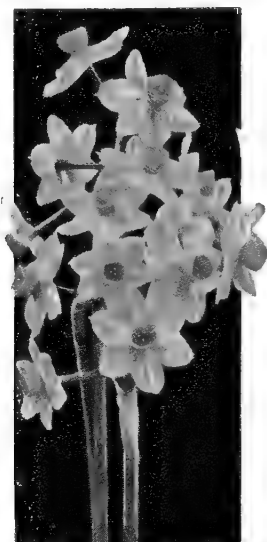

Suitable for Growing in Water and Gravel, Sand, or Fiber

We handle only the **Giant Grandiflora** variety, which is a great improvement over the ordinary Paper-White Narcissus. It can be had in bloom for Christmas until Easter, either in pots, bowls, or boxes. Upon arrival, plant them immediately, if wanted early, and put in a cool place in cellar or pit, free from frost.

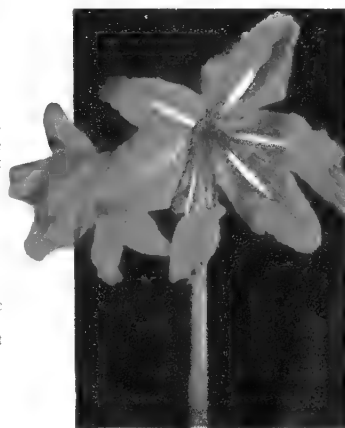

Jumbo or Exhibition Size: 3 for 35c; \$1.10 per doz.; \$8.00 per 100; \$70.00 per 1000

Iris Reticulata

It can be described as a small form of the Spanish or Dutch Iris. Its main value lies in the fact that it may be forced into bloom in the house with the greatest ease. Six bulbs put into a 4-inch pot when received will bloom at Christmas time. The fragrant blossoms remind one of a bunch of fresh Violets. Hardy with reasonable protection. It is one of the loveliest early flowering bulbs for the rock garden. \$1.15 per doz.; \$9.00 per 100.
